

March 11, 2020

Greetings Great Oaks Parents and Students,

As we are being updated with information from the State and working with our partners in the community, additional steps are being taken to make sure we are prepared for any City or State Education Department actions. Part of our plan involves On-Line Learning options for students in the event of a closure.

Great Oaks Charter School does not have any cases of COVID-19. We are, however, making sure that we are prepared for any exposure events as we plan to continue providing educational opportunities. In order to ready our staff and comply with State guidelines for On-Line Learning, we will be closed on Thursday March 12, 2020 and Friday March 13, 2020 for teacher training on our distance platform. We will be open on Monday March 16, 2020 at our normal time and with normal hours. We apologize for any inconvenience and appreciate your partnership during these uncertain conditions.

It is important that students bring in any remaining technology surveys on Monday. This will help us finalize numbers for our technology and materials distribution plan. If you have any suggestions or questions, please contact us.

Finally, High School Finals will resume on Tuesday, March 17, 2020. An updated calendar will be posted in Google Classroom for students.

Sincerely,

John Scalice, Executive Director
Great Oaks Charter School, Bridgeport
