If you did not receive this message as a phone call, please email the school with your child's name, updated phone number, and email address.

Dear Members of the Great Oaks Charter Community:

Great Oaks Charter School will close beginning tomorrow, **Friday, March 13, 2020** and will remain closed until further notice. The closure also applies to all events and practices, club meetings and other student activities. We are taking this measure in conjunction with Bridgeport Public Schools.

We continue to prepare for distance learning and expect to implement that as quickly as possible. We are finalizing plans that will best support all of our learners and will send an updated district notification using your PowerSchool Contact Information, our Instagram Page, and Facebook page on Friday, March 13th. This will include information regarding Breakfast and Lunch distribution, supplies for learning, and technology supplies if needed.

Until distance learning begins, we will treat missed school days as snow-day type events. In other words, these days will need to be made up at the end of the year. We are actively working to minimize those days.

In all circumstances, our priority is the health of you and your families. Please continue to take preventive measures and please look out for each other.

We look forward to seeing you, virtually or in person, as soon as possible.

Be Well!

John Scalice, Executive Director
Great Oaks Charter School, Bridgeport
