

11/13/2020

Good Afternoon Great Oaks Families,

With changes to the data today showing an even bigger surge in COVID cases for the city of Bridgeport, we will be entering full remote learning as of Monday, November 16, 2020. While we had hoped for time to meet with students before Thanksgiving in person, this will not be possible.

Effective today, Great Oaks Charter School will go completely virtual. We reevaluate this decision on December 11, 2020 and make additional plans as needed. Please note that we monitor cases daily, and make updates based on those numbers. The decision to go virtual was not easy, but we believe it is the best way for us to help protect our students and staff during this increase in the spread of COVID cases. More details regarding computer pick-up, hours of building operation, communication methods, and schedules will be provided over the weekend on our website, our Facebook, and our Instagram pages.

Be Well, Be Safe,

John Scalice, Principal
