

Dear Great Oaks School Community

Below is a chart that describes the CDC recommendations and requirements for travel at this time. If you plan to travel, please be sure you adhere to these guidelines. We are working very hard to provide the opportunity for students to attend school in person in the safest and healthiest environment possible. To accomplish this, we are asking for your help. Please adhere to the guidelines and recommendations in the chart so that all students and staff can have a safe and healthy end of the school year.

Please contact our school nurse Pat Klein at 475-319-6100 if you have any questions.

Warmest Regards,  
 John Scalice - Principal  
 Latoya Hubbard - Director of Operations
